Founders

Anastasia L. Gentles, M.D. FAAP, Co-Founder and Chief Executive Office

Dr. Gentles is a board certified pediatrician and the CEO and co-founder of NightLight. She is a graduate from the University of California, San Diego School of Medicine and completed her residency in Pediatrics at Children's Hospital Oakland in June 2000. Dr. Gentles experience includes her work as a physician at Texas Children's Pediatric Associates, Austin Diagnostic Clinic, and Ambulatory Department Attending Physician at Children's Hospital Oakland. Dr. Gentles also served an assistant professor of Pediatric Emergency Medicine at Baylor College of Medicine. This wide range of pediatric experience helped her identify the gaps in the delivery of pediatric urgent care and alternatives to the emergency room.

Zawadi Byrant, MBA, Chief Operating Officer and Practice Manager

Zawadi Bryant is the chief operating officer and co-founder of NightLight and brings a number of years of business process and marketing experience to NightLight. Bryant received her B.S. and MEng in Operations Research & Industrial Engineering and an MBA in Operations Management from Cornell University. Bryant began her career at Hewlett-Packard as a supply chain manager. While at HP she was recognized as one of the Top 30 Black Engineers under 30 by the Black Engineer Magazine.

Connie Cazares, Clinical Specialist and Certified Medical Assistant

Connie Cazares is a clinical specialist and certified medical assistant with more than 12 years of experience. She graduated from the Texas School of Business and is currently enrolled in the Houston Community College to become a physician assistant.
