

PROVIDER PROFILES

Anastasia L. Gentles, M.D. FAAP

Dr. Anastasia L. Gentles is the CEO, medical director and co-founder of NightLight Pediatric Urgent Care. She is a graduate of the University of California, San Diego School of Medicine and completed her residency in Pediatrics at the Children's Hospital of Oakland in Oakland, CA in June of 2000. She moved to Texas in 2001. Her work experience includes Adolescent medicine, Primary care and Emergency medicine. When not at NightLight she enjoys reading, eating and running.

Bill Chu, M.D. FAAP

Dr. Bill Chu has been a board certified pediatrician since 2004. He grew up in Houston and attended college at Houston Baptist University. He went to medical school at the University of Texas Medical School at Houston and then completed his residency training in the pediatrics at the UCLA Mattel Children's Hospital in Los Angeles, California. He has work experience in a neonatal ICU as well as a private practice. Doctor Bill has been working at Nightlight Pediatric Urgent Care since September 2008.

Rajitha Julapalli, M.D.

Dr. Rajitha Julapalli attended Baylor College of Medicine for medical school and for residency and is a Texas licensed pediatrician. She has worked in a variety of settings including community clinics, Texas Children's Hospital and Ben Taub General Hospital. She particularly enjoys emergency/acute care medicine because of the diversity of patients, and helping the families sleep better at night. Away from work, she enjoys spending time with her family, cake decorating, scrapbooking, and reading.

Molly Boyce Moeller, M.D.

Dr. Molly Boyce Moeller graduated from Duke University School of Medicine and then completed residency at Baylor College of Medicine. Her professional interests include care of the newborn, management of childhood obesity, and diagnosis and treatment of pediatric skin problems. When not at work, she and her husband, a physician at MD Anderson Cancer Center, are busy at home caring for a 3 year old son, 1 year old daughter, and 2 constantly hungry beagles.

Joyce Egbe, M.D. FAAP

Dr. Joyce Egbe is Board Certified in Pediatrics and is a fellow of the American Academy of Pediatrics. She received her medical education at the University of Benin, College of Medicine, Nigeria. Dr. Egbe completed an internship and then residency in Ophthalmology in Nigeria. She relocated to the United States, and completed a residency in Pediatrics at the Driscoll Children's Hospital, Texas A & M Health Sciences Center in 2007. Away from work, she spends her time with her 2 active boys and her husband. They love to travel, go ice skating and go to the movies.

Charyl Gordon, FNP-C

Charyl Gordon has been a Family Nurse Practitioner for more than 13 years. She attended New York University for her master's degree. She is board certified by the American Academy of Nurse Practitioners. When not at work she enjoys spending time with her husband and two children.
